Company Profile

mycolor aims to provide the finest and most desirable cosmetic brushes for global cosmetics business partners and makeup lovers. After about 10 years' experiences, now we have large quantities of private moldings and patents. Your OEM/ODM orders are also welcomed.

MEET OUR FOUNDER

Having been into makeup brush industry for over 10 years, CEO "Andy Fan" is quite familiar with the whole industry chain. To meet different customers, he created two brands--"Jessup" (for B2C) & "MyColor" (for B2B&OEM/ODM). He remains as committed as ever to creating quality products at a reasonable price and helping every people worldwide take control of their own beauty destiny.

MEET OUR FACTORY

Our subsidiary factory covers an area of more than 6000 square meters in Dongguan(Dongguan Jessup Cosmetics Co.,Ltd). We have complete quality management system, and have been audited to conform to ISO9001 & ISO4001 Quality management system. Only 3-7 days are needed to customize a sample. To expand your range of choices, Our 10 R&D engineers with 5 years plus experiences, keep upgrading makeup brushes catalog, which makes us stand out from the fierce competition. With experienced staff and advanced equipment, like Trimming Machine, Pad Printing Machine, and Combing Machine, we can produce over 10,000pcs everyday. Our high-standard quality will strengthen your mind to source from us. With stable supplier, we do not need to worry about raw materials. And our QC staff inspect every part of every brush very carefully before packing.

Our "Jessup" Brushes are selling very well all over the world through amazon, aliexpress, ebay, etc.

WHAT BRANDS WE HAVE COOPERATED WITH?

Our products are highly praised by many big brand companies, such as MAC, RIMMEL, BOBBI BROWN, MAYBELLINE and more from US, Italy, Australia and UK areas etc..

If you are interested in OEM or any of our brush, please do not hesitate to contact us for more information.
